

WIRE ON LENGTH / QUICKWIRE-SYSTEM

WIRE ON LENGTH (ART.CODE 9999)

- The non-elastic V3®-wire is on a roller in every needed length available.
- Thanks to the non-elastic V3®-wire is tightening afterwards not necessary.

QUICKWIRE-SYSTEM (ART.CODE 9008)

- Consist of: the assembled "eye", wiretightner and two wire rope clips.
- Saves approx, thanks to the in precede assembled "eye".
- Wires cannot slip once attached to the wirearch because of assembling the eye and wiretightner directly on the wirearch.
- Watch out for imitation!
